

All you ever wanted to know about Monarch Butterflies

Wednesday, February 28 at 2:00 p.m. - Clubhouse One

Female monarch on
native narrow leaf milkweed

S. Vanderlip

**Susie Vanderlip,
Monarch
Conservation
Specialist,
will be speaking on
this very interesting
subject!**

Susie has been a professional speaker for 32 years and has specialized in the Monarch Butterfly for the last 12. She is a major contributor to Western Monarch Advocates and is a Monarch Butterfly Monarch Citizen Specialist. She is also an Al Gore Climate Reality Leader and more. She will inform us about:

- The Monarch butterfly migration update
- Tropical vs native milkweed issues, including O.E. (parasite), predators and other challenges to monarch butterflies.
- Overwintering with stunning photos and video.
- The severe decline in Monarch butterfly populations & how to help save them.

**Refreshments and a free raffle follow.
All residents and guests are invited to attend.
Members no charge ~ Their guests \$5.00 at the door.**
