STAFF REPORT

DATE: July 8, 2019

FOR: GRF Business Planning Committee SUBJECT: 2020 Business Plan - Version 1

RECOMMENDATION

Staff recommends that the Golden Rain Foundation (GRF) Business Planning Committee review the Proposed 2020 Business Plan and make recommendations for Board consideration.

BACKGROUND

The attached documents present an overview of the first draft of the 2020 Plan for the GRF and reflect a net increase of \$457,543 or 1.5% when compared to current year.

The GRF Business Planning Committee will review this proposal on July 8, 2019, immediately following the Chief Executive Officer (CEO) presentation to All Boards All Directors. Recommendations for change, if any, will be taken to the GRF Board for consideration at their special meeting on Wednesday, July 10, 2019, at 9:30 a.m. in the Board Room.

DISCUSSION

These documents present an overview of the proposed 2020 Plan – Version 1 and reflect a net increase of \$457,543 in the Total Basic Assessment or 1.5% when compared to current year. Brief notations for line items with significant change from current year are noted below as increases or (decreases) in the assessment, and listed in order of appearance on the proposed Business Plan (Attachment 1):

- Line 1: Golf Greens Fees Revenue decreased by \$102,712 to correct an overstated 2019 budget.
- Line 2: Golf Operations Revenue decreased by \$54,180 to correct an overstated 2019 budget.
- Line 4: Clubhouse Rentals and Event Fees Revenue decreased by \$332,335 to correct an overstated 2019 budget for anticipated revenues.
- Line 6: Broadband Services Revenue increased by (\$328,670) due to more advertising revenue anticipated during the 2020 election year.
- Line 7: Miscellaneous Revenue decreased by \$53,985 due to an incorrect allocation of Additional Occupant Fee revenue; adjustment will be made in Version 2 to reflect this as 100% GRF.
- Line 8: Employee Compensation increased by \$830,558 or 4.7% due to increased staffing and the inclusion of planned wage adjustments. Staffing levels increased by 14 FTE (Full Time Equivalents) community-wide, some of which relate directly to GRF operations including: Department of Security Services to provide increased compliance and enforcement; Recreation Services Fitness and Garden Centers to provide additional support to residents; and to a lesser extent, increases were budgeted in Financial Services and Information Services to provide additional administrative support.

- Line 9: Expenses Related to Compensation decreased by (\$309,421) primarily due to a lower budget for workers compensation insurance; partially offset by taxes and benefits on additional staffing and wage adjustments.
- Line 10: Materials and Supplies increased by \$61,961 due to increased expense in Residential Services for purchase of security access cards and radio frequency vehicle decals used at the automated gates.
- Line 12: Community Events increased by \$34,560 due to expanded quality of entertainment and additional themed dinners.
- Line 13: Electricity increased by \$51,682; budget is based on current consumption with a projected contingency for rate increases.
- Line 15: Water increased by \$61,079 based on historical consumption at projected rates. Water rates increased per El Toro Water adopted budget and went into effect July 1, 2019.
- Line 17: Natural Gas increased by \$23,460 to reflect actuals and correct an understated budget.
- Line 19: Fuel and Oil increased by \$81,600 due to an upward trend in diesel and gas prices.
- Line 20: Legal Fees decreased by (\$29,970) due to an allocation change for labor related expenses.
- Line 23: Outside Services increased by \$491,580 primarily due to increased contractual costs for the outsourced aquatics operation and support services for cable network system. Further, increases in the budgeted cost for Inspector of Election expense and outsourced fleet wash services, and a budget correction for credit card fees contributed to the increase.
- Line 24: Repairs and Maintenance decreased by (\$110,604) due to correction of prior year fire inspection and broadband budgets, and cost savings in financial software and telephone system maintenance.
- Line 25: Other Operating Expense increased by \$63,385 due to increased recruiting costs to address turnover and added staff support expense.
- Line 29: Property and Sales Tax increased by \$12,722 due to adoption of the Permanent Fleet Registration system in 2019.
- Line 30: Insurance increased by \$57,158 due to higher coverage limits for Hazard & Liability and Property insurance.
- Line 31: Cable TV Programming decreased by (\$895,500), reflecting a recent Board decision for non-renewal of the Fox Sports programming, partially offset by increased programming costs anticipated for other channels.
- Line 33: Cost Allocation to Mutuals, the net result of inter-departmental allocations is higher in 2020 by \$756,510, providing more of an offset to the line items above.
- Line 36: GRF Reserve Fund Contribution is budgeted to increase from \$17.00 to \$19.00 per manor per month based on a projected 30-year expenditures plan.
- Line 37: GRF Contingency Fund Contribution is proposed to increase from \$2.00 to \$4.00 per manor per month to replenish available funds for unexpected costs not included in the budget.

GRF Business Planning Committee 2019 Business Plan – Version 1 July 8, 2019 Page 3

FINANCIAL ANALYSIS

The financial impact of this proposed business plan would be a GRF assessment of \$205.82 per manor per month (PMPM), an increase of \$2.99 PMPM or 1.5% when compared to current year.

STAFF REPORT

DATE: July 10, 2019

FOR: GRF Board of Directors
SUBJECT: 2020 Capital Plan Proposals

RECOMMENDATION

In June, the Golden Rain Foundation (GRF) Board was presented with capital requirements as part of the 2020 business planning process. Staff recommends that the Board review and prioritize proposed equipment and project concepts identified below.

BACKGROUND

The Capital Reserve Expenditures Plan (Capital Plan) of this Corporation reflects the funding necessary to maintain, repair, replace or restore major common-area components with funding provided from various reserve funds.

- The Equipment Reserve Fund is used for the purchase of new and replacement equipment, including but not limited to vehicles, machinery, office equipment, and furniture. This fund receives monies through assessments, interest earnings, and a transfer of operating surplus if directed by the Board.
- The Facilities Reserve Fund is used for the acquisition, addition, replacement or improvement of Foundation and Trust facilities and their components. This fund receives monies through assessments, interest earnings, and a transfer of operating surplus if directed by the Board.
- The Capital Plan is also funded from the Trust Facilities Fee Fund, an amount charged at the time of title transfer, generating revenue to maintain and improve the recreational and other amenities available to all residents of Laguna Woods Village. These monies are transferred by the Board, as needed, to fund projects included in this Plan.

The Five-Year Capital Improvement Plan (CIP) is reflected in Table 1 below. Funding for the CIP will occur each year as part of the business planning process.

Table 1

	Proposed 2020	Estimated 2021	Estimated 2022	Estimated 2023	Estimated 2024
CIP Total	\$6,050,800	\$8,750,700	\$5,863,600	\$10,765,800	\$10,540,500

DISCUSSION

The proposed reserve expenditures for 2020 totals \$6,050,800 as summarized below. This report provides a brief description of each project proposed for funding in the upcoming budget year, divided into the categories commensurate with the location of the projects and presented in descending cost order.

Vehicle Maintenance is responsible for maintenance and repair of the entire Laguna Woods Village vehicle and mobile equipment fleet. Staff strives to extend serviceable life where possible by providing preventive maintenance on equipment. However, as equipment ages, repairs can become more frequent and costly. To minimize expense and downtime, replacement of certain equipment is necessary.

REPLACEMENTS: Staff evaluated the fleet and recommends funding of \$1,787,000 for the vehicle replacements noted above. The equipment is used by various departments to transport crews and equipment to job sites and to perform work.

ADDITIONS: Funding of \$355,000 is proposed for new vehicles to support General Services, Maintenance and Construction, Recreation, and Security.

Because the funding is appropriated well in advance of the actual purchase, General Services Fleet Maintenance personnel will reevaluate utilization and repair costs prior to purchase to ensure that the appropriate individual vehicle is selected for replacement.

Description	Equipment	Facilities	Total
Paving			\$1,011,700
Asphalt Paving and Sealcoat Programs	-	\$811,700	\$811,700
Parkway Concrete Repairs	-	\$200,000	\$200,000

GRF streets and parking lots provide residents vehicular access to their manors and facilities within the Community. The anticipated serviceable life of the new pavement is estimated to be 25 years, determined by Staff. The proposed Asphalt Paving and Sealcoat budget is \$811,700 and will provide for approximately 295,000 square feet (SF) of asphalt paving. Sealcoat work for GRF pavement is completed on a five-year cycle. The proposed Sealcoat Program budget will provide for approximately 1.1 million SF of sealcoat.

In coordination with the paving, Staff has identified concrete areas that require repair or replacement. With proposed funding of \$200,000, the Parkway Concrete Repairs Program is designed to repair all the damaged GRF curb/gutter, driveway aprons, and sidewalks adjacent to the planned paving overlay areas prior to asphalt paving work and add requisite Americans with Disabilities (ADA) ramps, as needed. The estimated quantity of concrete repair is approximately 2,550 linear feet (LF) comprised of curb, gutter, corner spandrel areas, and/or driveway apron.

Tennis Court LED Lighting	-	\$50,000	\$50,000

Funding of \$500,000 is recommended for a variety of lighting projects, including replacement of temporary rental lighting in the Maintenance Parking Lot, replacement of existing Walkway Lighting around Clubhouses and improved efficiency of Tennis Court lighting.

Description	Equipment	Facilities	Total
Security			\$435,000

Portable Radios	\$10,000	-	\$10,000
Speed Monitoring Devices (2)	\$10,000	-	\$10,000

Funding of \$240,000 is recommended for the replacement of approximately 1,885 LF of new Shepherd's Crook to replace existing barbed wire fencing along Gate 3 entrance gate. The City of

Laguna Woods discontinued the use of barbed wire in perimeter barriers in 2017.

Funding of \$100,000 is recommended for the installation of Transfer Switches located at Clubhouses 4 and 6, in anticipation of 2021 installation of Emergency Generators at those clubhouses as part of a comprehensive Disaster Preparedness Plan.

Funding of \$75,000 is recommended for the addition of Surveillance Cameras at various facilities including clubhouses, tennis center, pickleball, lawn bowling, archery, mini-gym, fitness storage rooms and building entries. Cameras would yield an improved service level by providing a safer clubhouse environment.

Funding of \$10,000 is recommended for replacement and upgrade of existing ten to 15-year old radio equipment. New two-way Portable Radios that are both digital/analog will provide increased efficiencies to the community. Enhanced dispatch capabilities will provide dispatchers a visual map display showing each officer's identify and location, which will assist in dispatching the closest unit to an incident. Additionally, the digital component of the radio will provide better clarity in receiving and transmitting information.

Funding of \$10,000 is recommended for the replacement of two Speed Monitoring Devices. The Security Division is down to one remaining device. These solar-powered units combine a police traffic radar unit with a 12" LED display panel that shows approaching drivers what their current speed is. They serve as a deterrent to speeding vehicles, reduce traffic collisions and promote safe driving.

Description	Equipment	Facilities	Total
Broadband Services			\$420,000
Set Top Boxes	\$300,000	-	\$300,000
Head End UPS and Power Conditioner	\$120,000	-	\$120,000

Funding is proposed annually for the purchase of set top boxes to support cable television services. To date, approximately 9,800 set top boxes have been installed, which generated approximately \$1,694,000 in rental revenue in 2018. Staff estimates additional subscribers because of the removal of analog services. Proposed funding of \$300,000 is designated for the purchase of approximately 1,000 Set Top Boxes in anticipation of the demand for digital services and replacement of failed set top boxes.

Funding of \$120,000 is recommended to replace the Head End UPS and Power Conditioner. The current headend cable plant is approximately 20 years old. The current system has been at the end of its useful life for many years. With the recent advancement in battery technology, it is recommended that the existing system be replaced with a modernized system that will help reduce power consumption, increase battery backup time and drive down overall operating cost.

Hydraulic Sprayer	\$10,000	-	\$10,000
Gas Power Sprayer	\$5,000	-	\$5,000

The current Centralized Irrigation System was installed in 2001. The current system cannot be utilized to track problems in the field, requiring staff to physically visit every system to verify functionality. The Landscape Services Department is recommending replacement of the system over the course of five years, at \$100,000 funding in 2020 and the balance over the next four years beginning in 2021.

Funding of \$247,000 is included to replace a variety of mowers and miscellaneous landscaping equipment that requires rebuilding or replacement due to age.

Lawn Bowling Patio Furniture	\$10,000	-	\$10,000

Funding of \$75,000 is recommended for five dual-pump Charging Stations at the Service Center. As GRF transitions toward the use of alternative fuel vehicles, a number of vehicles located in the Service Center require Electric Vehicle (EV) Charging Stations.

Funding of \$50,000 is recommended for renovation of Equestrian Turf. The age and condition of the existing turf has resulted in uneven and unsightly turf, which diminishes the appeal and safety of the facility regularly utilized for special events.

Funding of \$45,000 is recommended to replace and add safety padding in the Clubhouse 1 gymnasium to enhance conditions for activities such as pickleball, badminton and volleyball.

Funding of \$10,000 is recommended for replacement of existing tables, chairs and trash cans around the lawn bowling greens for a more uniform appearance.

Miscellaneous Projects/Equipment			\$175,000
Miscellaneous Projects	-	\$125,000	\$125,000
Miscellaneous Equipment	\$50,000	-	\$50,000

Funding of \$125,000 is recommended for Miscellaneous Projects. By including contingency funding in the Capital Plan, unforeseen projects are completed in an economical and timely fashion without going through the formal Board review process required for supplemental appropriations. Projects under \$25,000 will be completed at the discretion of the CEO and projects over \$25,000 must follow normal Board approval process for supplemental appropriations.

Funding of \$50,000 is recommended for Miscellaneous Equipment. Similar to projects, contingency funds for equipment will support operational needs when unforeseen requirements result in equipment purchases to meet or improve service levels. Equipment purchases under \$25,000 will be completed at the discretion of the CEO and projects over \$25,000 must follow normal Board approval process for supplemental appropriations.

Dayforce - Onboarding Module Implementation	\$7,000	-	\$7,000

Funding of \$150,000 is included for the upgrade of the Microsoft Office Productivity Suite. This will replace the MS Office 2010 licensing and will bring the suite of products in a more current state in order to have access to some of the newer features and security offered in the 2019 version. Microsoft support for Office 2010 is approaching End of Life in 2020.

Two Dayforce modules were purchased but not yet implemented as part of the HRIS system. Funding for Benefits Open Enrollment Module Implementation of \$9,000 will allow employees to have access to their current benefits and make appropriate year end changes without holding extensive employee meetings and printing unnecessary paper forms. Funding the Onboarding Module Implementation of \$7,000 will decrease administrative time during the recruitment and hiring process, foster a culture of engagement, and increase accuracy in transition from candidate to new hire.

The Laguna Woods Village Community Center is a 60,000 square foot commercial building constructed in 2001 and occupied by Laguna Woods Village board members, residents and Village Management Services staff. Funding of \$120,000 is recommended for replacement of the Stucco Flashing necessitated by continual rain leaks, which can be contributed to faulty flashing or a failing stucco system. The Maintenance Department has been treating moisture intrusion from rain for the past two years. Funding of \$25,000 is recommended to retain a consultant for a parking study to assist in future decisions related to the utilization of the Community Center.

A large number of clubs are in need of storage for their equipment and supplies. Funding of \$35,000 is recommended to remodel the coat room to repurpose as a Storage Room to accommodate more cabinets similar to Clubhouse 2.

Clubhouse 7 commercial appliances including dishwasher have reached the end of their serviceable lives. Funding of \$25,000 is proposed for replacement of commercial appliances and funding of \$7,000 is recommended for replacement of commercial dishwasher.

Funding of \$20,000 is recommended for the replacement of existing Clubhouse 7 Patio Furniture, including tables and chairs. The current furniture was purchased over 13 years ago.

Clubhouse 4			\$141,000
CH 4 Chairs Bench Top	\$35,600	-	\$35,600
CH 4 Lapidary Exhaust Vent	-	\$30,000	\$30,000
CH 4 Work Shop Chairs	\$26,800	-	\$26,800
CH 4 Metal Roof Cover	-	\$25,000	\$25,000
CH 7 Commercial Dishwasher	-	\$13,200	\$13,200
CH 7 Sound System	\$10,400	-	\$10,400

Clubhouse 4 is the arts and crafts center of the Village, with many specialty offerings including Saddleback College Emeritus classes.

Funding of \$35,600 is proposed for workshop bench height chairs, necessitated by the age of the current chairs.

Funding of \$30,000 is recommended for the addition of a Lapidary Exhaust Vent. There is no existing exhaust system in place.

Funding of \$26,800 is proposed for replacement of aging chairs at various workshops.

Funding of \$25,000 is recommended for roofing the Outside Raku firing area which currently is exposed to the elements. The funding will also cover removal of the dust collection equipment previously used for the old grinding room.

Funding of \$13,200 is included for replacement of old flooring in the sewing room. Replacement is necessitated by the water main break in 2017 and will include sealing of the concrete floor underneath to prevent continued bumps and residue coming to the surface.

Funding for \$10,400 is recommended for the replacement of 16 sewing machines with newer features that facilitate all sewing and quilting needs.

Description	Equipment	Facilities	Total
Golf Facilities			\$128,000
Mower - Riding Tee	\$40,000	-	\$40,000
Greens Aerator	\$30,000	-	\$30,000
Tow-Behind Spreader	\$18,000	-	\$18,000
Turbine Blower	\$15,000	-	\$15,000
Collection Mower	\$15,000	-	\$15,000
Golf Turf Equipment Lift	\$10,000	-	\$10,000

The 27-Hole Golf Course is one of the most widely used amenities at Laguna Woods Village, with approximately 130,000 rounds of golf played each year. To maintain the aesthetic appeal and functionality of the golf courses and driving range, the Golf Maintenance crew relies on specialized equipment to address specific maintenance needs. Funding of \$118,000 is proposed for the replacement of mowers, aerators, spreader and blower which have exceeded their useful life.

Funding of \$10,000 is recommended for the addition of a Golf Equipment Lift. This machine allows the golf maintenance mechanic to work standing up, instead of sitting, stooping and laying on cold concrete, thus resulting in more expedient repairs.

Clubhouse 6			\$37,000
CH 6 Video Projector Installation	-	\$30,000	\$30,000
CH 6 Commercial Dishwasher	\$7,000	-	\$7,000

Funding of \$30,000 is proposed for a built-in Video Projector at Clubhouse 6. This facility has experienced an increase in events requiring video projection. Currently staff will setup the portable projector in the middle of the room, which requires elimination of tables and power cords running across the floor.

Clubhouse 6 commercial dishwasher has reached the end of its serviceable life. Funding of \$7,000 is recommended for replacement.

Description	Equipment	Facilities	Total
Aquatics			\$30,000
CH 1 Pool & Spa Plastering	-	\$30,000	\$30,000

Re-plastering of Clubhouse 1 Pool and Spa is recommended with funding of \$30,000.

Description	Equipment	Facilities	Total
Clubhouse 2			\$30,000
CH 2 Lawn Bowling Roof	\$30,000	-	\$30,000

Funding of \$30,000 is recommended for the replacement of the Clubhouse 2 Lawn Bowling building. The Lawn Bowling Club hosts events and tournaments all throughout the year, with nearly 4,400 people attending functions in 2018. The current roof will be 20 years old in 2020; industry standard for useful life of this type of roof is 16-20 years.

Description	Equipment	Facilities	Total
Clubhouse 5			\$20,000
CH 5 Patio Furniture/Benches	\$20,000	-	\$20,000

The current patio furniture, benches, patio table, and chairs at Clubhouse 5 were purchased over 20 years ago and are in need of replacement. Funding of \$20,000 is recommended.
