REPORT OF THE REGULAR MEETING OF THE  
GOLDEN RAIN FOUNDATION OF LAGUNA WOODS  
SECURITY AND COMMUNITY ACCESS COMMITTEE

The Regular Meeting of the Security and Community Access Committee was held on Monday, October 25, 2021 at 1:30 p.m. 24351 El Toro Road, Laguna Woods, California.

**MEMBERS PRESENT:** Margaret Bennett, Annie McCary, Carlos Rojas, Manuel Armendariz, Maggie Blackwell, Carlos Rojas, Don Tibbetts

**OTHERS PRESENT:** Debbie Dotson, Bunny Carpenter, Juanita Skillman, Mike Epstein, Richard Rader

**STAFF PRESENT:** Tom Siviglia, Jayanna Hendley

**CALL TO ORDER**

Don Tibbetts, Chair, had a delay in joining the meeting and asked another member to begin. Debbie Dotson called the meeting to order at 1:33 p.m.

**ACKNOWLEDGEMENT OF PRESS**

The Media was not present.

**APPROVAL OF AGENDA**

By way of consensus, the Committee approved the agenda as presented.

**APPROVAL OF MEETING REPORT**

By way of consensus, the Committee approved the June 28, 2021 meeting report.

By way of consensus, the Committee approved the August 30, 2021 meeting report

**CHAIRMAN'S REMARKS**

Appointed Chair Dotson had no comments. Chair Tibbetts apologized for joining late.

**MEMBER COMMENTS ON NON-AGENDA ITEMS**

A member mentioned that the agenda packet for this meeting was not found on the website, where it should be listed.

**RESPONSE TO MEMBER COMMENTS ON NON-AGENDA ITEMS**

Chief Carlos Rojas responded to the member that staff would look into the issue.

**REPORTS**

**Disaster Preparedness Task Force Report** Chief Rojas discussed the meeting report attached to the agenda packet. Chief Rojas also mentioned that the annual Great CA Shakeout drill held on October 21, 2021 went very well and gave them an opportunity to

practice our emergency systems that are in place. Chief Rojas mentioned that they are still in need of volunteer manors to install the Fire Avert devices in for the trial-run. Manuel Armendariz offered his manor for the Fire Avert program

**RV Update** Carlos Rojas discussed the provided RV Lot space statistics.

**Noteworthy Incidents** Chief Rojas discussed a DUI arrest that Security Personnel assisted the Orange County Sheriff's Department with. Carlos Rojas also stated that the traffic school classes are up and running on a consistent basis, and that they are rotating all of the Traffic Specialists through teaching those classes.

**Security Statistics** Carlos Rojas discussed the provided Security Statistics with the committee. Annie McCary asked a question about the new Compliance Inspector and his position. Carlos Rojas responded by giving a description of the role.

### **ITEMS FOR DISCUSSION AND CONSIDERATION**

**Enhanced Enforcement at Gate 5 and 6** Debbie Dotson discussed the traffic issues in the specified areas. Director Dotson is requesting that staff look into the possibility of installing solar panel flashing stop signs in specific areas.

### **ITEMS FOR FUTURE AGENDAS**

Cameras in the Slip-Casting Room, and Length of Time Video Footage is Retained

Bathroom Closures in the Evenings

Solar-Powered Flashing Stop Signs

Friendship Trail – Crosswalk Addition

### **CONCLUDING BUSINESS**

#### **DATE OF THE NEXT MEETING**

The next meeting is scheduled for Monday, December 27, 2021, at 1:30 p.m. in a hybrid model meeting on Zoom and in the Board Room in the Laguna Woods Village Community Center.

#### **ADJOURNMENT**

There being no further business to come before the Committee, Appointed Chair Dotson adjourned the meeting at 2:20 p.m.

Don Tibbetts, Chair

Oct 26, 2021

**REPORT OF THE REGULAR MEETING OF THE GOLDEN RAIN  
FOUNDATION DISASTER PREPAREDNESS TASK FORCE**

**TUESDAY, January 25 2022 9:30AM**

**VIRTUAL MEETING**

**MEMBERS PRESENT:** Chair: Carlos Rojas, Tom Siviglia, Judith Troutman, Anthony Liberatore, Juanita Skillman, Sandy Benson, Donna Rane-Szostak, Tom Soule, John Frankel, Cash Achrekar, Jim Riedel, Bruce Bonbright, Diane Casey, Grace Stencel, James Cook, Elsie Addington, Sue Stephens

**OTHERS PRESENT:** Dave Southworth, Joan Grampp

**STAFF PRESENT:** Jayanna "JJ" Hendley

**THE MEETING WAS CALLED TO ORDER:** 9:30 AM

**ACKNOWLEDGEMENT OF THE PRESS:** None present.

**APPROVAL OF THE AGENDA:** By consensus, the agenda was approved.

**APPROVAL OF MEETING REPORT:** By consensus, the meeting report was approved.

**CHAIRS REMARKS:** Chair Carlos Rojas stated that he has accepted a position with VMS as the Director of Operations. Chair Rojas thanked everyone for their participation and efforts made within the Task Force. Chair Rojas recognized the difficulties faced throughout the pandemic and how well everyone has come together.

**MEMBER COMMENTS:** None heard.

**REPORTS**

**RADIO & COMMUNICATIONS:** Bruce Bonbright reported that 10 out of 15 participants reported during the radio drill last month, and this month. Bruce Bonbright stated he is not worried about those numbers because they are generally different people missing the drills. Bruce also stated that they have a great solution regarding the towers, and it is now set-up for the front desk staff to report on the radio drill. Bruce stated they attempted this morning and were unsuccessful. However, he believes that the location is blocking their ability to

connect to the repeater. Bruce stated his team will set-up a test with them early next month to see if they can hear them better from outside of the Towers building. Bruce opened the group up for any questions. Chair Rojas asked Bruce if anything has changed because the audio was very clear on this morning's test. Bruce responded by stating he is unsure, but it could have been the rain that cleaned the repeater. Chair Rojas thanked Bruce and Jim Riedel for always being consistent with the radio drill. Cash Achrekar asked Bruce if transmissions can be heard outside of the Village. Bruce responded by stating we have commercial style radios with separate repeaters set-up. Bruce gave further details. Diane Casey stated that she is a HAM Radio operator and could be involved in the club if needed. Bruce explained how Diane can participate in disasters and drills by listening in to the Club Repeater.

**OFFICE MANAGER/ADVISOR:** Tom Soule reported that the past two months have been slow due to Resident Services being closed. Tom stated that foot traffic has been dismal. Tom Soule reported that a few more people have been volunteering as Good Neighbor Captains. Sandy Benson asked Tom Soule if he has any items for File of Life because they gave all of their packets out at the Village Bazaar over the weekend. Cash Achrekar stated he believes everyone should keep water in their car. Tom Soule gave a recommendation. Donna Rane-Szostak asked if the File of Life is available again. Tom Soule explained that we have the form that would go into the File of Life. Tom stated we need to look into obtaining more of the actual files, because they were given to DPTF for free by the Department of Aging a few years ago. Sandy Benson added that she spoke with Station 22, and that the firemen are trained to look for the File of Life on the refrigerator first.

Judith Troutman reported that she has contacted 120 people from the binders, and there were 48 confirmed resignations, as well as 50 confirmed active volunteers. Judith extended an invitation to the group for any volunteers who may want to help with calling and confirming Good Neighbor Captains. Grace Stencil volunteered.

**RECRUITMENT / RETENTION / TRAINING:** Juanita Skillman stated that Saturday's event at the Village Bazaar was very successful, and that all 50 File of Life packets were given away. Juanita also reported that 26 Good Neighbor Captain packets were given out. Juanita stated that one person completed and returned the packet on the spot. Juanita added that 36 Pet Sub-Committee packets were given out as well. Juanita stated she appreciates Sandy's efforts in setting up the table and volunteering. Juanita also informed the group that most volunteers are wondering when the next training will be hosted, and what to do next. Carlos Rojas thanked both Juanita Skillman and Sandy Benson for their efforts, and he stated that the table looked great. Juanita added that she

needs a banner or sign to identify what the event tables are for. Tom Soule added that we do have a banner that is broken, but can be repaired. Juanita Skillman asked if the GNC map has been located. Tom Soule stated that his office has it, and that they are working on updating it.

**GRF BOARD: No Report.**

**UNITED BOARD:** Diane Casey asked if there is anything online displaying the location of Good Neighbor Captains. Carlos Rojas explained how Security and the DPTF Office are mapping the Good Neighbor Captains, which will eventually be shared. Members made comments and discussed further. Elsie Addington asked if reports are required for this meeting. Carlos Rojas explained that there are usually representatives present, however, there is not always a report given. Judith Troutman added that she is working on a Good Neighbor Captain list by building.

**THIRD BOARD:** Donna Rane-Szostak stated that she has been involved with DPTF through the loss of the previous Director and Administration. Donna suggested that an item should be reported to the Third Board regarding involvement opportunities with the Task Force. Chief Rojas stated that he will put together some information to share with the mutual representatives so they can share it with their boards at their discretion.

John Frankel reported that his wife is the Good Neighbor Captain for their area, and that he is still the Clubhouse Coordinator for Clubhouse 6.

**TOWERS:** Sue Stephens thanked Bruce Bonbright for his efforts through the radio drill and getting staff members trained. Sue reported that there are 21 Floor Captains, and several Assistant Captains as well. Sue also stated that the Towers has their own EOP. Juanita Skillman asked Sue to send her list of Floor Captains to JJ Hendley.

**PET EVACUATION SUBMIT COMMITTEE:** Sandy Benson reported that the Pet Sub Committee is being reorganized at the moment because Sharon Updike has asked to take a break from the leadership role. Sandy thanked Sharon for all of her contributions over the past couple of years. Sandy also stated she is looking for another volunteer to control their excel sheet of volunteers. Sandy asked Carlos Rojas if we have a CERT program. Carlos informed Sandy that CERT is run through the county.

**AT&T DISMISSAL OF LANDLINES – RESEARCH CONTINUED:** Jayanna Hendley reported that further information regarding the transition to IP enabled services and networks can be found in Assembly Bill 2395. Jayanna explained that this bill states telephone corporations are required to complete a customer education and outreach program before seeking to withdraw traditional circuit- Agenda Item #7  
Page 3 of 4

switched and other legacy telephone services. Jayanna stated that in the last meeting, an inquiry was made regarding text-to-911 in our area. Jayanna confirmed that all Orange County residents have access to text-to-911 through their cell phone providers, however the Sheriff's Department always recommends calling 911 if possible rather than texting.

Juanita Skillman asked if assistance programs for disabled individuals would be replaced. Jayanna responded by stating that it is not mentioned specifically in the bill, but she will do further research and report back to Juanita Skillman. Donna Rane-Szostak added that AT&T did not have any information regarding discontinuing landline services when she called, however, they are discontinuing internet service in the area. Elsie Addington encouraged Donna Rane-Szostak to do further research. Members made comments and discussed the topic. James Cook informed the group that during an emergency, your landline may not give you a dial tone immediately.

**CHANGING THE TITLE OF "GOOD NEIGHBOR CAPTAINS":** Carlos Rojas stated that the possibility of changing this title was brought up at a meeting between himself, JJ Hendley, Juanita Skillman, Grace Stencel, and Bruce Bonbright. Carlos also mentioned that the title of Good Neighbor Captains resonates with many as being associated with the Disaster Task Force, and it is specifically listed in resolution 90-18-37. Carlos Rojas opened the discussion to the group. Members made comments in favor of keeping the name as is. Juanita Skillman discussed the possibility of adding responsibilities to the role of Good Neighbor Captains.

## **DISCUSSIONS & CONSIDERATIONS:**

### **Fire Avert Program Update**

## **MEMBER COMMENTS:**

Cash Achrekar encouraged the group to keep up the good work.

**NEXT MEETING: March 29, 2022 at 9:30 AM**

**ADJOURNMENT: 10:37 AM**

## **STAFF REPORT**

---

**DATE:** February 28, 2022  
**FOR:** Security & Community Access Committee  
**SUBJECT:** Calle Sonora Parking Permit Program

---

### **RECOMMENDATION**

Staff recommends implementation of a parking permit program on Calle Sonora between Gate 14 and El Toro Road with an appropriation of \$3,982 to be funded from the Operating Fund.

### **BACKGROUND**

The Golden Rain Foundation (GRF) Traffic Division enforces rules and regulations within the boundaries of Laguna Woods Village. The Officers are empowered to issue notices of violations (NOV). Individuals who receive an NOV may be subject to a fee and other disciplinary action. The traffic rules enforcement program is coordinated by the Security Services Department.

An area that has not been included as part of the traffic rules enforcement program is Calle Sonora. Calle Sonora is not a public parking street; it is a private street owned by GRF. The area consists of the paved street, curb, gutter, and sidewalks that begin from the south curb of El Toro Road and south into the Community past Gate 14 (Attachment 1). Calle Sonora not only provides access into the Community, it provides access to The Regency and The Whispering Fountains; privately owned assisted living facilities that are not affiliated with GRF. Residents, employees, and guests access these facilities via Calle Sonora.

Staff conducted a study of the area over a period of six months. The study revealed that the vehicles parked on Calle Sonora do not belong to Laguna Wood Village residents or their guest's. Most of the parked vehicles belong to residents, guests or employees of The Regency and The Whispering Fountains facilities. In some instances, the vehicles including recreational vehicles are not affiliated with either facility. Some vehicles that are parked on Calle Sonora are illegally parked which includes expired registration, exhibiting signs of abandonment and/or haven't been moved for over a year. Additionally, trash and debris has accumulated next to the vehicles that are left parked for an extended period. Currently, GRF is unable to enforce any rules and regulations on this street due to the lack of proper signage and notice to violators.

### **DISCUSSION**

The Security Services Department proposes the creation of a parking permit program on Calle Sonora. This will allow staff to uniformly enforce the traffic program on all areas owned by GRF. Under this program, annual parking permits will be made available for a cost to staff, residents and guests of The Regency and The Whispering Fountains facilities. With each parked vehicle required to have a parking permit, staff will have the ability to identify the owner and issue an NOV for violation of rules and regulations, remove any vehicle if needed, and/or contact the owner for any reason.

The parking permit program will require an initial cost for proper signage to be posted on both sides of the street in compliance with California Vehicle Code involving enforcement on private property.

### **FINANCIAL ANALYSIS**

If approved, the initial cost will be approximately \$3,982. The parking permit fee will be \$97.50 annually.

It is important to note that additionally offsetting revenue, estimated to be \$6,500 annually, will be generated from the parking permits and NOV's fees annually. Any ongoing maintenance cost will be included as part of the Business Plan.

Below is the cost associated with this purchase, to be funded from the Operating Expense Fund:

<b>Proposed Outlay</b>	<b>Estimated Cost</b>
Initial Cost	\$3,982
<b>Sub-Total</b>	<b>\$3,982</b>
Less: Annual Permit Revenue	(\$3,900)
Less: NOV Fees	(\$2,600)
<b>Total</b>	<b>(\$2,518)</b>

**Prepared By:** Carlos Rojas, Security Services Director

Advocacy Letter – Issues for Laguna Woods Security

1) Lack of High Visibility Crosswalks

Pedestrian crosswalks in the village are not clearly marked. An example is provided in the photos below. A crosswalk is situated adjacent to a bus stop on Calle Sevilla at the Performing Arts Center (Clubhouse 3). There are no safety enhancing white crosshatch stripes on the pavement, and there is no signpost indicating a pedestrian crossing next to the crosswalk. Although there is a signpost over 100 feet up the street to alert drivers of an approaching crosswalk, the reflectors spanning the crosswalk are so worn and eroded that they are no longer visible to approaching traffic. There are also no speed deterrents such as speed bumps, “Yield to Pedestrian” signs or tactile pavement to slow down approaching vehicles. An example of a clearly marked crosswalk is shown below. This is situated outside of the Village on Calle Luisa in Laguna Hills. Note the signpost immediately next to the crosswalk and the clear white crosshatch markings on the pavement. See attached photo.

2) Speeding

Vehicle speeding on the Village streets has increased and is a safety hazard for all residents. Many residents use mobility devices and need more time to cross streets. When vehicles are approaching at higher speeds their ability to stop decreases. We recommend that you consider additional stop signs where appropriate, more monitoring and ticketing of speeders, and possibly placement of flashing lights in problem areas.

We appreciate your consideration of these issues and look forward to hearing from you. Our goal is to make Laguna Woods Village a better and safer place for all residents.

Sincerely,

Vision Club Advocacy Committee
