BOOST ON-DEMAND RIDE SERVICE

WHAT IS BOOST?
Laguna Woods Village has partnered with Lyft rideshare service to offer rides to residents within the transportation system parameter range. Here's how to get started!

**1** Download the Lyft app onto your smartphone from the App Store or Google Play.

GET IT ON Google Play

Download on the App Store

**2** Open the Lyft app on your smartphone.

lyft

3 Click **GET STARTED**.

4 Click **ALLOW LYFT TO ACCESS YOUR LOCATION WHILE USING THE APP.**
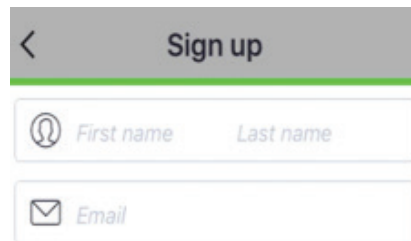

5 Type in your smartphone number. Lyft will text a verification code.

Get started
Get riding within minutes
+1 (201) 555-0123
We'll send a text to verify your phone

6 Type in the verification code. **EXAMPLE:**

Verify phone number
3 7 6 4 6 6
Enter the code sent to
Resend code

7 Type in your name and email.
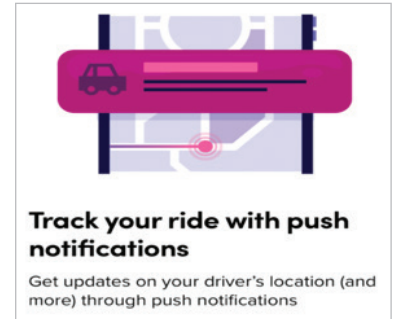

Sign up
First name   Last name
Email

**8** Read and review Lyft's Terms of Service and click **AGREE**.

9 Enter a default method of payment. However, residents will not be charged for trips within the Village parameters (must enter code when scheduling a trip).

Pick how to pay
You'll only be charged after the ride
Card number
Pay   PayPal
Activate your promo code with a payment method
Your payment info will be stored securely

10 Click **OK** to allow Lyft to send you notifications of your ride.

Track your ride with push notifications
Get updates on your driver's location (and more) through push notifications

11 The local map will appear on-screen. Type in your destination to book an immediate ride.

# HOW TO SCHEDULE A BOOST RIDE VIA SMARTPHONE

**1** Open the Lyft app. Click the top left menu.
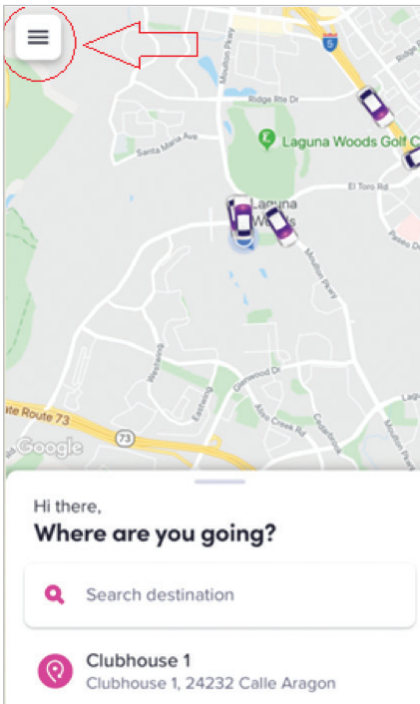

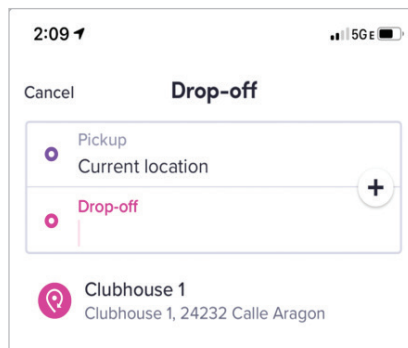

2 Tap PROMOS.

**3** Enter the Laguna Woods Village resident promo code: _____

4 Tap SEARCH DESTINATION. Enter the address.

5 Your current location determines pickup location.

6 Once your pickup and dropoff locations are routed, select the ride. Schedule a future ride by tapping the SCHEDULE icon at the bottom right of the screen.

7 After selecting your Lyft ride, wait for a driver to accept. Your driver's arrival time, name, type of car and license plate number will display.

Contact your driver or cancel a ride by tapping on the icons at the bottom of the screen.
